>> 04. THE LIONS FEEL RIGHT AT HOME IN VALENCIA

Do you know why Valencia is a genuine Nature Space? Because the city and nature blend together perfectly to offer a **unique landscape**.

Because what once was a river is now a **vast 14 km garden** running from one end of the city to the other. Because you can find species from every sea and ocean to **animals from the savanna** living without bars.

Because Valencia has one of the natural spaces with the greatest environmental value in all Europe, the **Albufera Nature Reserve**.

If you love the environment and the outdoor life, **Valencia is what you're looking for**.

>> 05. TRAVEL IN TIME JUST BY TURNING THE CORNER

Valencia boasts **cultural jewels over one thousand years old**, constructions that change colour, **cutting edge icons** and buildings that watch over the environment. Admire a spectacular range of architectural contrasts, and travel from the Middle Ages to the 21st century merely by turning the corner.

Over 2000 years of history have left their marks on the city and we invite you to discover them.

Begin your stroll through history at the **L'Almoyna archaeological museum** (origin of the city), pass by the **Torres de Serrano and Torres de Quart** (the access gates to Valencia since the medieval period), the **Lonja de la Seda** (Silk Exchange, declared a UNESCO World Heritage monument) or the **Cathedral** and its famous **'Micalet'** (bell tower). Don't miss the **National Museum of Ceramics** (its splendid alabaster facade is one of photographs most sought after by visitors to the city), the **Central Market** or the remodelled **Colón Market**. Go deep into the most shining examples of cutting edge architecture in the spectacular **City of Arts and Sciences**, the **Veles e Vents** building and the recently opened **Agora** (Golden Dam Bridge).

Valencia proudly shows off its historical heritage. A treasure it strives to preserve and protect for all to enjoy. Are you going to miss it?
